California Cup Heritage

Hello 54th Annual California Cup Participants,

Welcome to the 2026 edition of the California Cup! Since starting in 1972, with six men's teams, we have expanded to close to one hundred and twenty-five teams for men, women, boys and girls of ages ranging from under eight to over eighty.

Over the years we have sent many young men to play in various Pan American Hockey Federation (PAHF) events and even the Olympic Games. At this time, young men who gained experience at California Cup are currently playing and studying in Australia, England, Germany, and the Netherlands. Locally, a Hockey scholarship is offered to hockey students at Moorpark College. Many of the young women who were scouted at our event have received Hockey scholarships to universities and colleges across the nation.

Every year teams from around the world continue coming to California Cup. In the past, teams have come from Canada, Mexico, Argentina, Chile, England, Germany, the Netherlands, India, Taiwan and even Australia and New Zealand. In addition we have had many Olympians and prominent players compete in our tournament.

Besides the Olympic players, we have also been lucky enough to host many World Panel officials. Most recently, four 2024 Paris Olympic Umpires including, Ayanna McClean (FIH 2023 Female Umpire of the Year).

I look forward to having you compete, officiate, or spectate at the 2026 California Cup and hope that you create many life-long memories, make many friends, play hard, and most importantly have fun!

Thank you,

Tom Harris

Founder of California Cup

Welcome to the 54th California Cup

Dear Athletes, Umpires, Volunteers, Vendors, and Friends,

I'm so honored to welcome you to the 54th California Cup! My name is Christopher "Zooski" Januszewski, and I've been passionate about hockey on the West Coast for over 40 years. I started my journey learning and playing hockey in the Field Hockey Federation. I also spent some time playing and organizing in the San Francisco Bay Area. To me, this tournament is more than just an event; it's a family reunion. Whether you're new to the "Cal Cup" or celebrating your fiftieth, you're now part of this legacy.

I remember watching the 1984 Hockey games at East Los Angeles College. Those games were a huge part of making Field Hockey a strong sport in Moorpark, California. This year feels especially special. With the LA28 Games coming up, there's a lot of excitement in our community. We're looking forward to helping the next generation of players get ready to shine on the world stage.

This kind of event is truly a team effort. To our Athletes, thank you for your hard work; to our Umpires, thank you for your honesty; and to our Volunteers and Vendors, thank you for being the heart and soul of this event. We're so grateful for your support!

As we celebrate how far we've come, we must recognize the visionaries who paved the way. We owe a debt of gratitude to Tom Harris, the man whose initial idea sparked this incredible tradition more than five decades ago.

The California Cup has always been a vital pipeline for the sport, shaping the Men's National Team and providing a platform for elite domestic talent. This year, we are especially proud to highlight that impact. On Monday, we will gather to honor Benjamin John Maruquin. Having grown up right here in this community, Benjamin's journey from these local fields to representing our sport on the international stage serves as an inspiration to every young athlete competing this weekend.

As we kick off the fun, let's all play our best, show respect for the game, and really enjoy the connections we're making here. Please keep being a part of making our family a place where everyone feels welcome.

Welcome to the family!

Warm regards,

Christopher "Zooski" Januszewski

California Cup Chair

Sincerely,,

Sandy Binder

2026 Hall Of Fame Inductee: **Benjamin John Maruquin**

Atlanta 1996 Olympian Benjamin John Maruquin was a solid defender for the U.S. Men's National Team. He was a two-time USA Field Hockey Male Athlete of the Year and competed in 213 international matches from 1989 to 1997.

From Ventura, Calif., Maruquin was taught the sport from his father, Marvin, and his uncle, Bo Stockdill, both of whom competed at the Pan American Games in the 1970s. His international playing career started in 1985 at just 15 years old when he joined the U.S. U-21 Men's National Team. His first event came in 1989 when he participated in the Junior World Cup in Ipoh, Malaysia. That same year, he went on to play on the senior squad at the Intercontinental Cup in Madison, N.J., which served as the World Cup Qualifier at the time.

In 1991, Maruquin was selected to represent USA at the Pan American Games in Havana, Cuba, where he helped the red, white and blue secure bronze. Later that year in Auckland, New Zealand, he competed in the International Cup, which was an Olympic Qualifying event. For his performances throughout the year, he was named USA Field Hockey Male Athlete of the Year.

Maruquin was a resident athlete at the Olympic Training Center in Colorado Springs, Colo. from 1989 to 1991 and played for Old Hale Hockey Club in Perth, Australia during the 1991-92 season. In 1994, he played in a 4-Nations in Toronto, Canada and a 5-Nations in Madison, N.J.

In 1995, Maruquin was once again named USA Field Hockey Male Athlete of the Year after helping USA to another bronze medal finish at the Pan American Games in Mar del Plata, Argentina. In the lead up to the Atlanta 1996 Olympic Games, he was a resident athlete at the Olympic Training Center in San Diego, Calif. as the squad prepared to host on home soil.

Upon retiring from the USMNT in 1997, Maruquin joined the Australian Hockey League for three seasons and played for both North Queensland Barras in 1997 and 1999 and the Brisbane Blades in 1998, where helped the team win bronze at the Australian National Championship. Also from 1997 to 1999, he played for Wesley and South Perth (Wasps), where in 1998 he won the Fairest and Best Award for the Wasps Hockey Club.
